Only eighty years ago not one school was to be found within the present city limits of Alhambra. By 1898 it became apparent that the community needed its own high school. An election was held on April 22, 1898 to determine whether the local citizens wanted a secondary school and by a forty to nine vote was passed. The name Alhambra High School was officially selected and the school was to open in September 1898. Because no money was available for buildings, two vacant rooms in the elementary school were to be used. High school attendance was not compulsory at the turn of the century so secondary schooling at AHS was set up primarily for students planning to attend college.

1) The history of Alhambra High School is one mainly of growth and rebuilding. 2) Very quickly after the formation of the high school in 1898, it became evident that the temporary quarters in the Garfield elementary school were insufficient to the needs of the growing school. 3) After a new building program was approved, a site was chosen on Main Street, between the present 3rd and 4th streets, for the new high school. A great civic event took place when the cornerstone was laid on April 29, 1905. 4) By 1920 the new school proved inadequate and the main building was replaced in 1924. The great earthquake of 1933 forced many students into tents until several buildings could be remodeled. The new buildings of our present school were opened in 1964.

A large number of students have always participated in the various activities offered at Alhambra High School. Student government, so important to school life today, began in 1908. The first student weekly paper, as well as the yearbook, began in 1921 on an uninterrupted basis. Debate has always been a strong activity at Alhambra. In 1933-1934 the team talked itself into the championship of southern California. In 1957 AHS welcomed its first foreign exchange students. The tradition of having one or two students from different countries every year has continued. 1) Even in its early years AHS spirit was enthusiastic. A favorite yell of 1918 was:

Rah, rah, rickety-ki!

Lavender and White of Alhambra High!

Hobblety, gobblety, boost 'em along!

Dickey bow-wow—Alhambra!!

2) Students take dancing as a matter of course today but early American beliefs against such carrying on were a long time in dying. It wasn't until 1919 that dancing received endorsement from parents and then only under very close supervision. 3) Before the building of an auditorium, assemblies were held outside. For many years an annual assembly highlight was a dramatic vocal presentation of "The Road to Mandalay" by the principal. 4) Cafeteria services began in 1913 in an old store near the campus with such bargains as meats 7¢, soup 5¢, vegetable 3¢, and milk 5¢. 5) The AHS orchestra of 1914 consisted of only sixteen members.

AFS Students Introduce Foreign Culture to AHS

This year Alhambra hosted three Exchange Students. Mohammad Osmani from Afghanistan stayed with the Paul Hernandezes; Doryanna Fallo from Italy stayed with the William Thompsons; and Allan Lentz from the Netherlands stayed at the Hayneses. All three enjoyed American life and will be able to take back many memorable experiences.

Colleen Dwire, a senior, represented Alhambra and the U.S. this summer in Ceylon. She stayed three months, developing an appreciation for other cultures. 1-3) Alan enjoys the many different aspects of American life. 4-6) Homie also actively participates in student life at Alhambra. 7) Allan, Doryanna, and Homie receive their Christmas presents from Commission at the Christmas assembly. 8-9) Doryanna, along with other students, registers for next semester's classes. 10) Colleen and Homie in native costumes, exchange comments about Ceylon and Afghanistan.

Game, Dance Benefit AFS Students; Feature Faculty, Student Competition

The AFS game is held every year to help raise money for the American Field Service program. This year the faculty women were pitted against a girls' team, and the varsity basketball team sneaked by the faculty men. 1) Teachers and administrators changed places with pep squad and led the crowd in cheers for the faculty teams. 2) Faculty and varsity players scramble for the ball in an attempt to take the lead. 3) Bill Harcourt disputes a call with the so-called "Ref." 4) The crowd reflects the light heartedness of the game. Halftime featured a history of dance presented by members of the faculty. 5) Mr. Trikoris and Mrs. Blix started out the show with the waltz, followed by 6) Mr. Chavez and Mrs. Carden doing the Charleston. 7) Next, Mr. Dawley and Mrs. Carden performed the Jitterbug, 8) and Mr. Schneider and Mrs. McClure represented the fifties in dance. 9) Mr. Palmiter and Mrs. Swinney ended the presentation with the dance of the 60's, the Twist. 10) The faculty women exhibited good sportsmanship and enjoyed themselves in their match against the girls. 11,12) Homie, Alhambra's AFS student, along with his fellow students, enjoyed the after-game dance which will benefit future AFS students.

Queen Linda Reigns Over 75th Homecoming

The school year 1972-73 marks the 75th year of Alhambra High, and Homecoming's theme, "Those Were the Days," reflected the general feeling of nostalgia. This year's Pep Squad was joined by alumnae yell, song, majorette, and drill captains from '70-'71 and '71-'72.

At half-time the Royal Court, escorted by their fathers, arrived in old-fashioned cars. Drill Team provided entertainment for the large crowd filling the stands. The climax of the show was the crowning of Queen Linda Bean by last year's Homecoming Queen Marylou Orcholski. As fireworks lit the sky, Queen Linda and her court, Therese Hall, Brooke Ingraham, Janet Giambastiani, and Linda Randazzo, reigned over a perfect evening ending with Alhambra's victory over Muir High. 1) Queen Linda receives royal honors after her Coronation. 2) The Queen and her Royal Court are presented to the Homecoming fans. 3) '72 Homecoming Queen Linda Bean. 4) '71 Homecoming Queen Marylou Orcholski holds the new Queen's roses as the new Queen receives congratulations. 5) For Linda, the thrill of the evening was the moment she learned she was the 1972 Homecoming Queen. 6) Mr. McGuigan congratulates the new Queen.

The Princesses are:
 1) Brooke Ingraham
 2) Therese Hall
 3) Linda Randazzo
 4) Janet Giambastiani

Sports have always been a large part of extra-curricular life at Alhambra High School. In the early years, Moor teams were only moderately successful in inter-school competition. It was not until 1927 that the Moors were able to defeat their former long-time rival, South Pasadena, in football. As football became more important, the original school colors, lavender and white, apparently did not seem a strong enough color combination and finally gave way to blue and gold.

Topping their defeat over South Pasadena, the team won the coveted Southern California Football Championship in 1928. Football fame returned to AHS in 1939 when the Moors earned the CIF Championship with an undefeated record. The title was again won in 1946.

Basketball has also played an important part in Alhambra's sports history. The Southern California Basketball Championship was won in 1922. In the spring of 1955 AHS earned its first CIF basketball title in 33 years. Success continued as the Moors made CIF playoffs on several occasions during the next few years.

Other AHS teams have also earned many honors throughout the years. The league track championship came to AHS in 1935 and the CIF tennis crown was won in 1941. 1) Football attire in the early 1940's contrasts today's modern equipment. 2) An exceptionally large girls' tennis team competed for AHS in 1956. 3) Baseball has always been one of the many outstanding sports at AHS. 4) Coach McFate who initiated gymnastics at AHS, instructs an early gymnastics class. 5) In 1914, girls' volleyball was a popular sport. 6) The Mark Keppel Aztecs and the Moors have been strong rivals for a number of years.

Varsity Stuns Pacific League, 8-1 Record

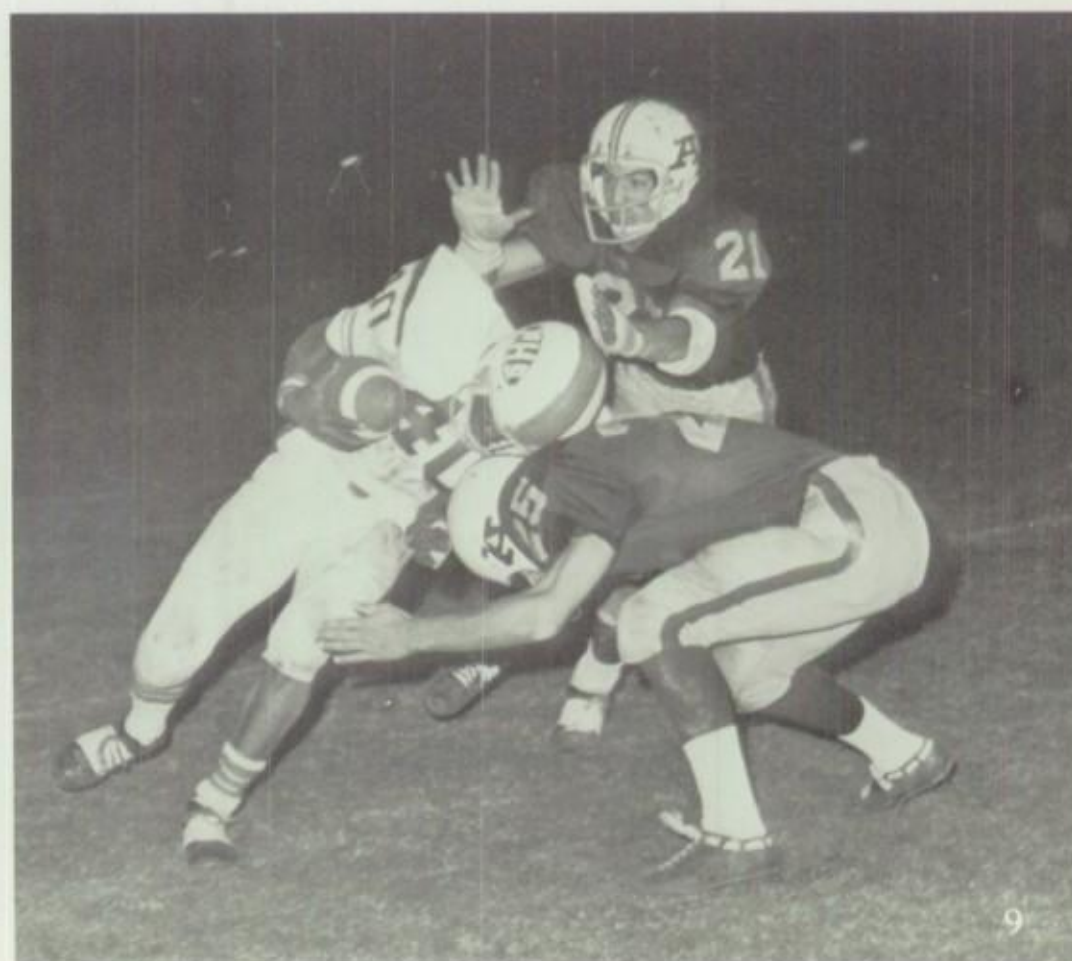

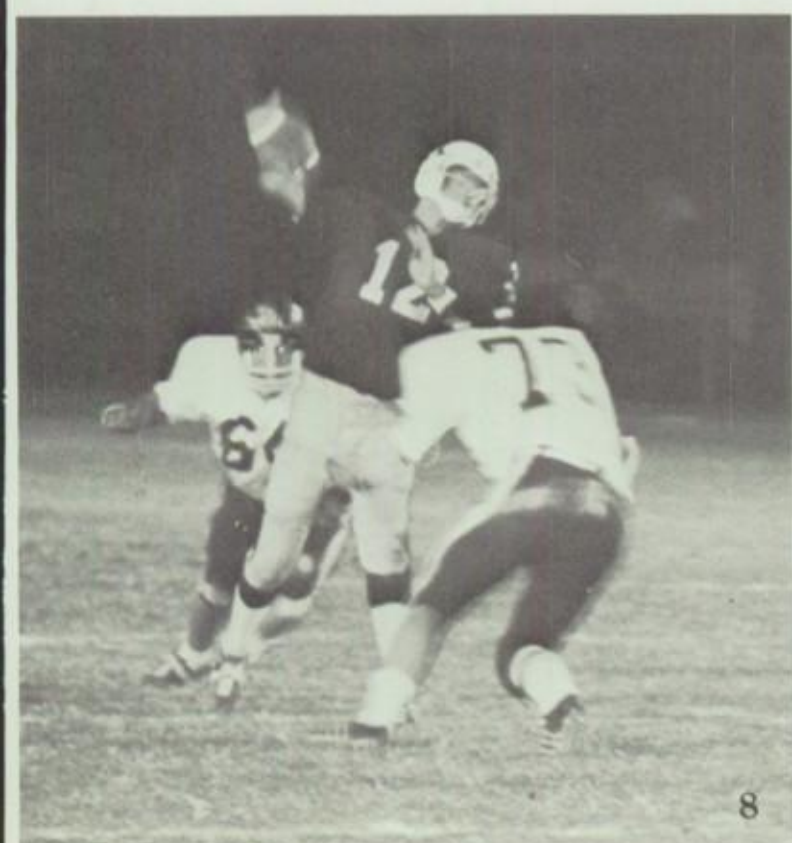

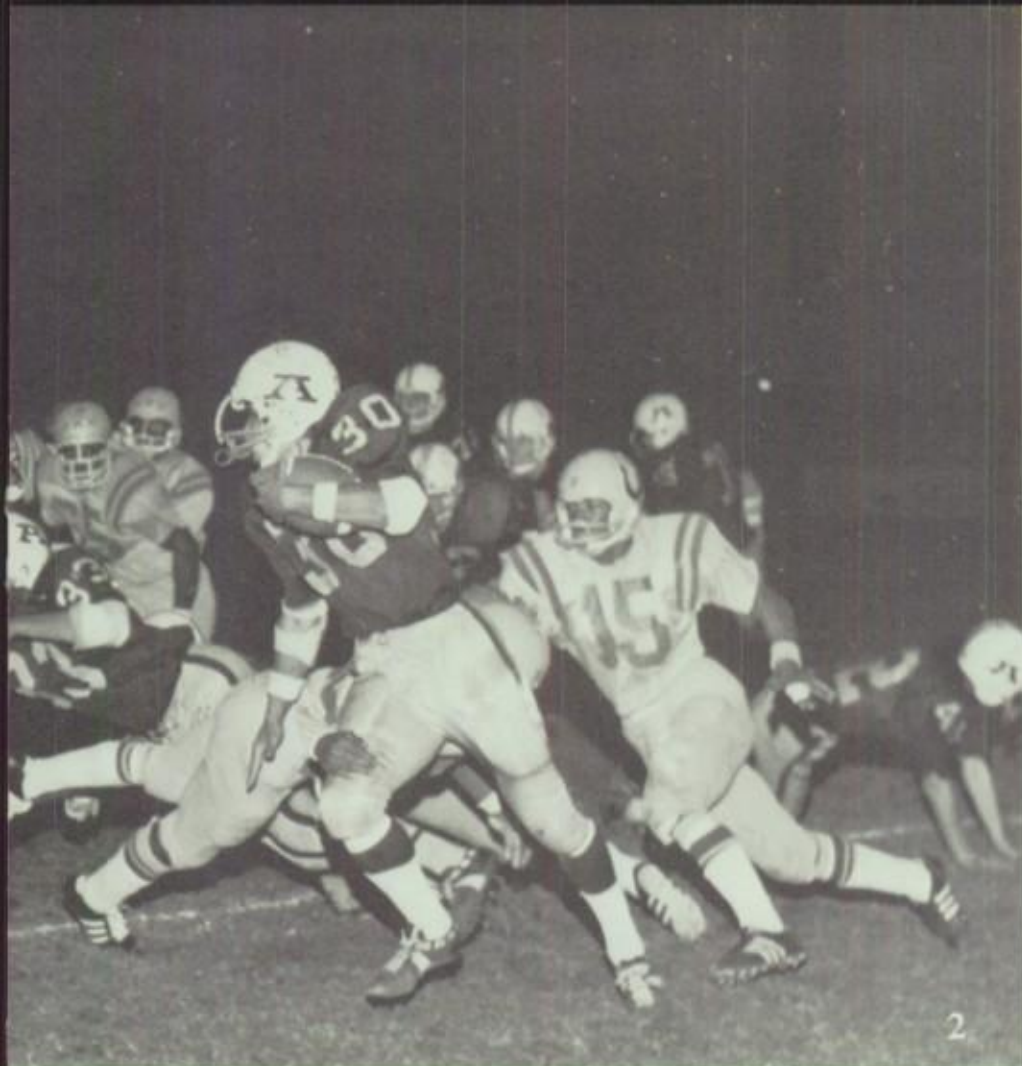

Coach Whittingham and his staff, in their first year at Alhambra, unleashed a surprisingly strong football team shocking one opponent after another. The team, kept in every game by a very strong defense, won their first five outings in stunning upsets. The defense, which was led by all Pacific Leager Pete Costantino, gave up only 67 points throughout the season. Paul Hernandez and Roy Chien, also all Pacific Leaguers, led the offense. The Moors' only loss of the year came against Pasadena by a 14-13 score. After the Pasadena setback, the team returned with vengeance, defeating their next three opponents, Muir, Arcadia, and El Rancho.

In a "pre-playoff game" against La Serna, the Moors were knocked out of the running for a CIF playoff berth, thus ending a fantastic season with a disappointing loss. 1) John TKach makes a dazzling grab against a helpless foe. 2) Al Gee lays a key block to spring loose Roy Chien. 3) All Pacific League linebacker Pete Costantino halts advancing Pasadena runner. 4) Moors score a big touchdown in Muir game. 5) Ron Crowder leaps high for another Moor reception. 6) Mark Gates bursts through an opening for big yardage. 7) The tough Alhambra defense sets up to prevent a Muir score. 8) Paul Hernandez unleashes a bomb despite heavy rush. 9) Dave Campos and Walt Van Eyk stack up the runner for no gain.

Coed Netters Maintain Victorious Tradition

After many hours of practice under the fine coaching of Miss Ivy Hertz, the girls' varsity volleyball team captured third place in the league. With only three returning players from the previous year, the team failed to win the crucial game against Montebello thus yielding the chance to qualify for the championship game. Co-captains Julie Smaldino and Cindy Trujillo received the most valuable player award and the most inspirational award.

The junior varsity team succeeded in retaining the championship title for the third year in a row when they won the playoff game against Arcadia. Captain Janette Fawrup lead the team to a successful year with a 29 winning game streak. Spikers Debbie Beckert, Jo Anne Mostrangelo and Carol Lennox received the most valuable, most inspirational and serving awards, respectively.

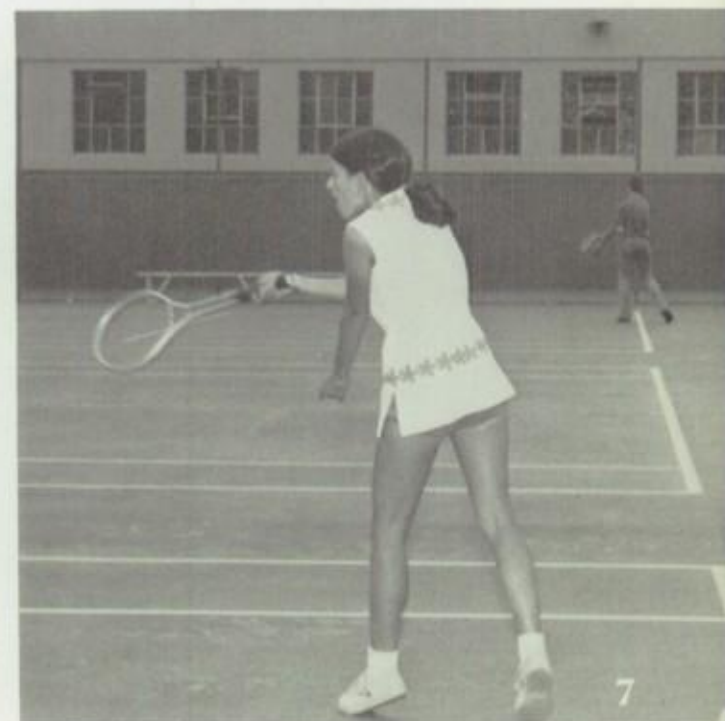

1) League championships JV team stands at ready position for another victory. 2) Last minute instructions are given to varsity players by Miss Hertz. 3) Split-second timing is achieved by spiker, Kathy Cuddigan. 4) A backcourt ball is returned by Sharon Curry. 5) Chris Cardona digs the ball while Cindy Trujillo covers from behind. 6) Setter, Cathy Dominy and spiker, Delsey Bukmonobich keep both eyes on the ball for precision. 7) Diane Kawahata and Delsey Bukmonobich demonstrate essential skill and attention.

Girls' Tennis Team Experiences Tough League Competition

Tennis can be defined as more than a diversion or recreation. It is style, timing, concentration, hustle, determination and ultimately victory. These were the goals that the AHS tennis team strived for all season but to no avail. Inexperience plagued this year's racketeers forcing them to take last place in one of the toughest leagues in the valley. Singled out as the most promising players that led the team's attempt was doubles team of Noriko Kawamoto and Lisa Nilsen.

1) Mary Rivera exhibits her form during a crucial match. 2) Determined Louise Ito makes use of her strong forehand stroke. 3) Correct serving technique is displayed by Louise Ito. 4) Enthusiasm and alertness are combined by doubles team Helen Wong (foreground) and Debbie Lew. 5) Carolyn Pennington shows perfect timing at net position. 6) An effective forehand stroke is used by Barbara Mullens. 7) Carla Bonzo rallies from backcourt.

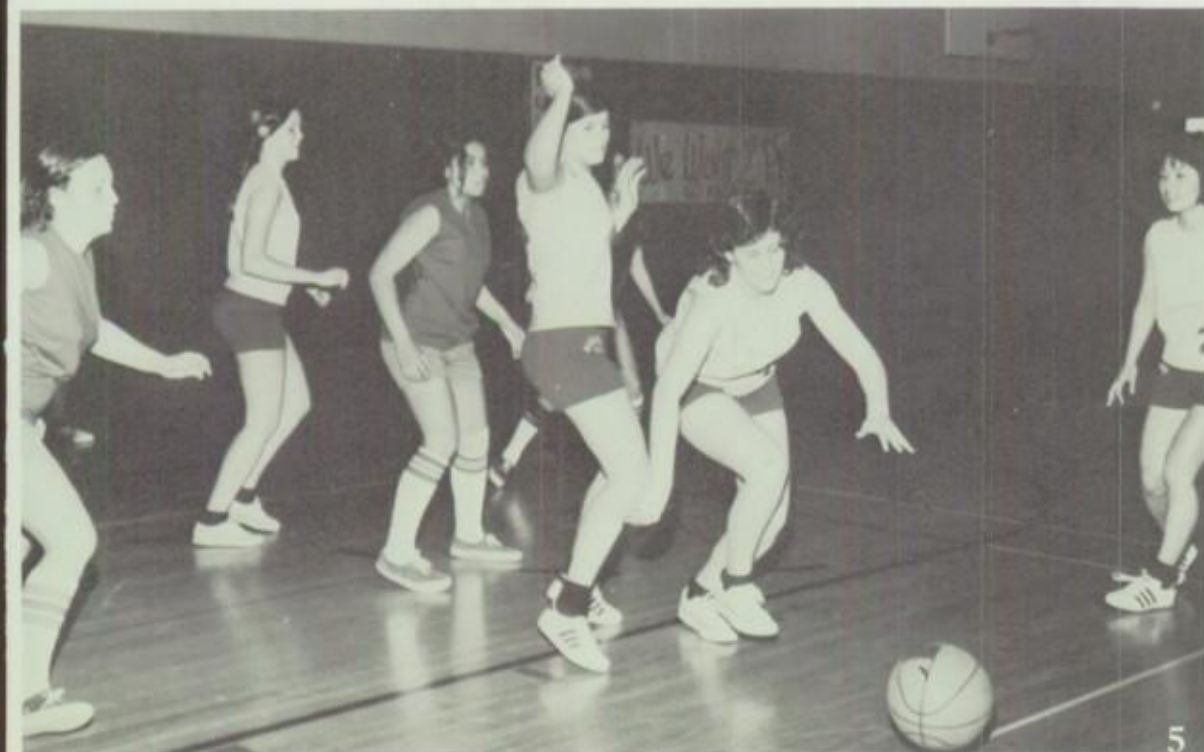

Track Team Sets New League, School Records

The girls' track team sprinted off to a nice finish, setting a number of school records as well as the league record for the 880 yard medley relay by Mary Erickson, Meika Fang, Michele Hopper, and Julie Smaldino. Under the coaching of Miss Joan Henderson, the school record holders include Michele Hopper, Meika Fang, Peggy Munn, Debbie Greenwood, Mary Erickson and Carmen Carrouche. 1) Cathy Rangel displays fine form in the shot put. 2) Daily practices include many hours of distance running around the track. 3) Record holder Michele Hopper and Rene Lucero stride the 50 yard hurdles. 4) Carmen Carrouche sets the new school record of 4'8" on the high jump. 5) Meika Fang and Peggy Munn come out ahead on the 100 yard dash. 6) Running against their own teammates, sprinters improve pace and speed.

New Coach, Experienced Cagerettes Capture Seasonal Success

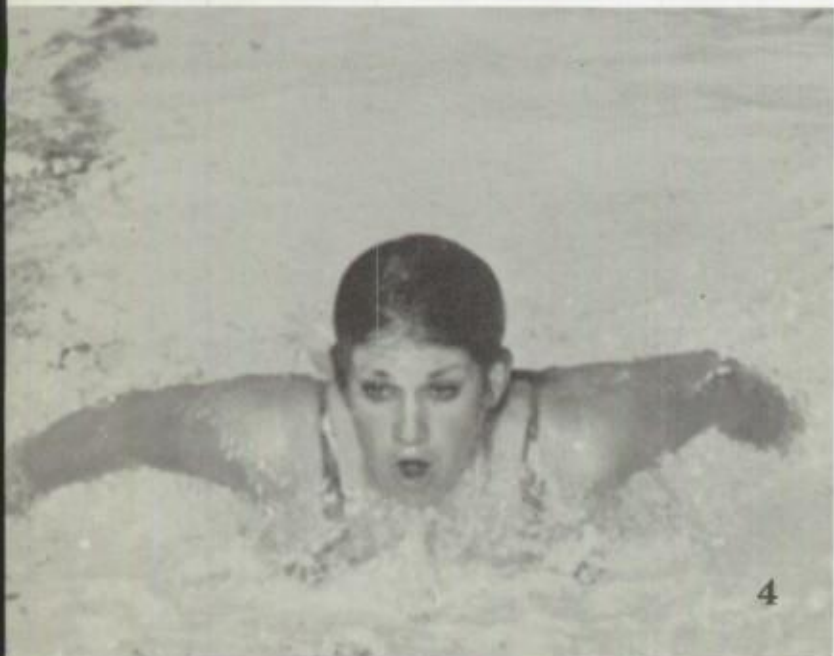

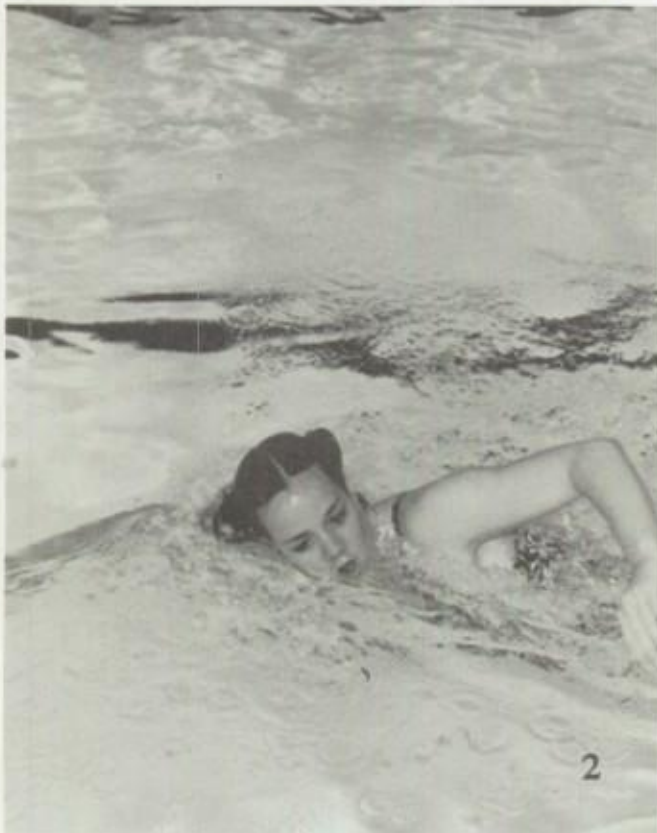

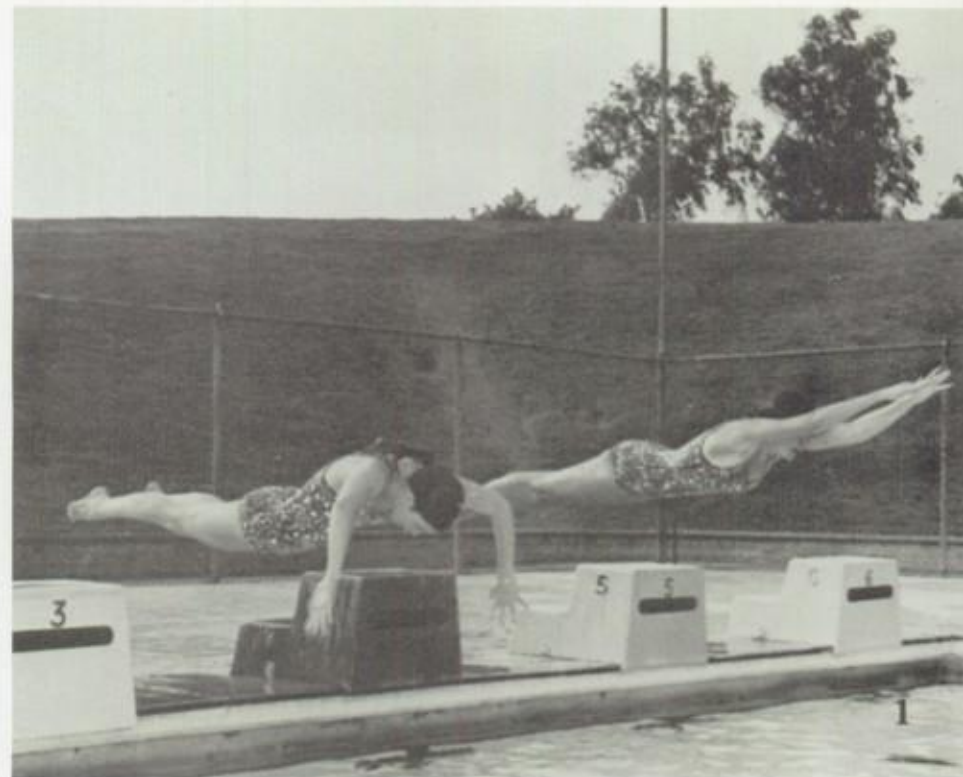

With the advantage of many returning players, the girls' basketball teams got off to a fantastic start, coached by Mrs. Juanita Ross. The varsity team was led by Chris Cardona, who averaged over 25 points per game, and captain, Diane Kawahata. The J.V. co-captains were Anna Chavira and Betty Uchiyama. 1) Basketball involves hustle for both players and referees. 2) Chris Cardona demonstrates her style in a jump shot. 3) A fast break results in a easy lay-up by Diane Kawahata. 4) Janette Fawrup weaves through opponents to position herself for a basket. 5) A loose ball on court causes a mad rush for possession. 6) A player outjumps her opposition at the start of a game.

AHS Swimmers Bid for League Title

With the help of world ranked swimmers Cathy Calhoun and Joanie Hubbard the girls' team swam its way to a very impressive season. Alhambra was not only represented in the league and at CIF, but also on the All-American listings for girls' high school competition. Varsity swimmers Nancy Babcock, Georgia Gibbs, Jody Levine and Kerri Lumbert added their extra efforts in the successful season. 1) Kerri Lumbert and Georgia Gibbs get off to a swift start. 2) World-classed swimmer, Cathy Calhoun shows her winning form. 3) Team spirit is essential in competition. 4) National high school record holder Joanie Hubbard scores valuable points for AHS. 5,6) Jody Levine and Eloisa Gibbs add depth to the strong Alhambra swim team.

Hiderettes Develop Quick Thinking, Alert Reactions

Originally developed as a game for indoor play, softball is closely derived from baseball. The girls, each specializing in her own skill, filled the nine positions consisting of pitcher, catcher, basemen, short stop or outfielder. Alertness and instant action is demanded in this sport since so much may happen as a result of one move. 1) Outfielder, Janette Fawrup, jumps high to catch the opponent's fly ball. 2) Colleen Calahan at bat, positions herself for a homer at the turning point of a crucial game. 3) An attentive catcher, Cheryl Post warms up before a game. 4) Both pitchers and catchers work for aim and accuracy. 5) Baseman Patty Scott tags out teammate Valerie Sterenson sliding in. 6) Miss Morrison, assisted by Alhambra's ex-softball star Jeanne Ekins, points out important strategy and hints to the team.

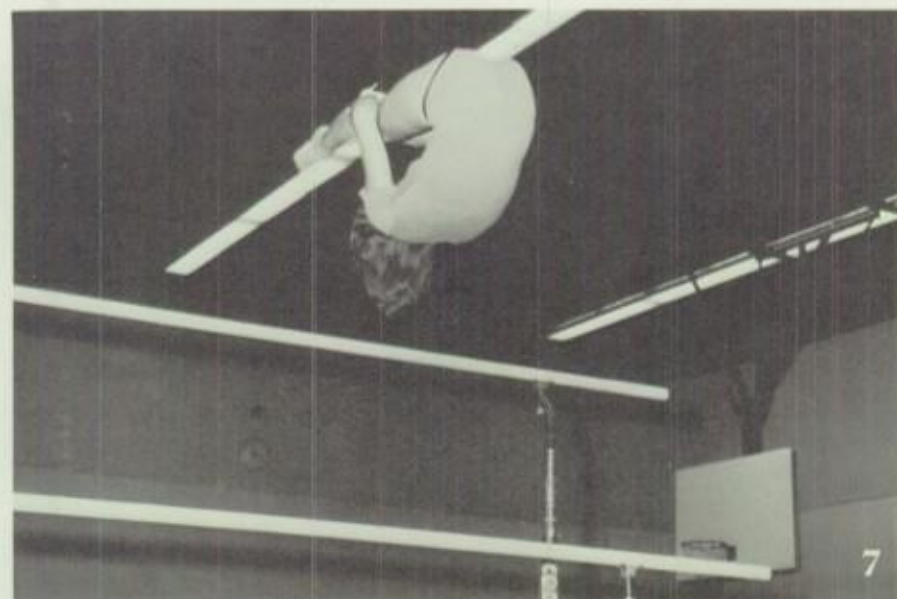

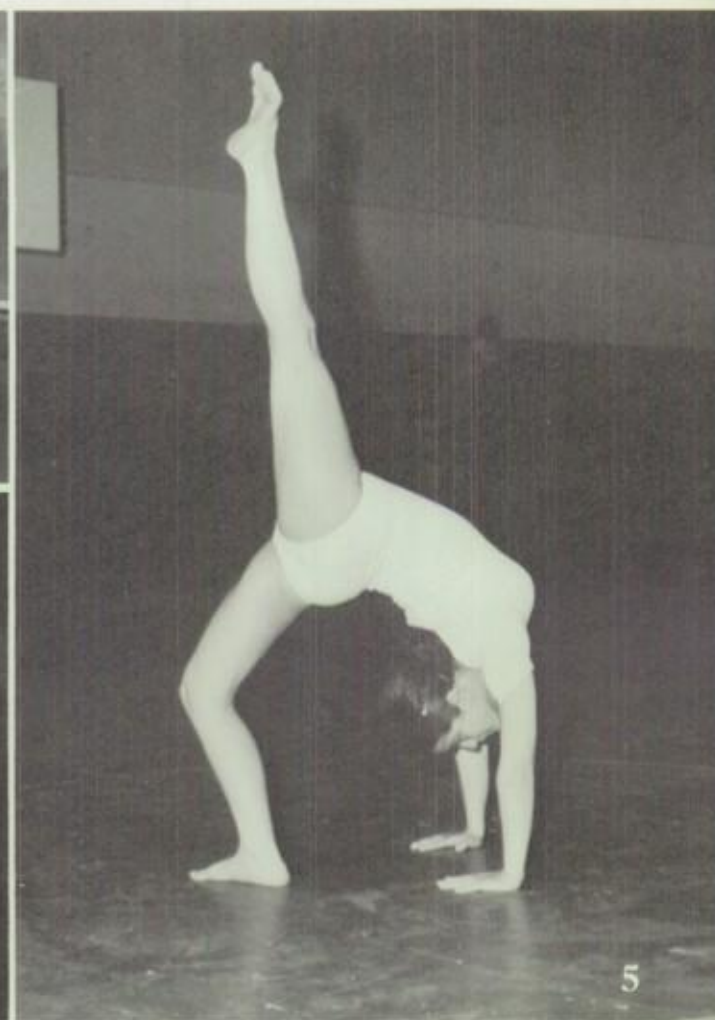

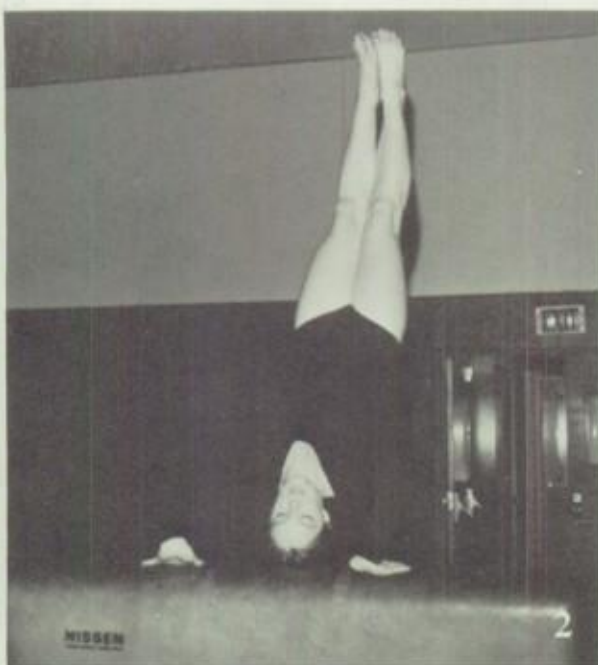

Orchesis Demonstrates Superiority in Grace and Coordination

Affiliated with GAA, Orchesis consists of those girls interested in body grace and coordination. Besides learning the basics of body mechanics, the girls also create and perform various original movements. Expression of feeling, appreciation of musical rhythm, and exploration of nature comprise many original dance themes. 1) Officers of Orchesis include president Jo Anne Martens, vice-presidents Sue Bridges and Colleen Dwire, secretary Rose Caposino, treasurer Colleen Dickey, historians Martha Black and Freda Luan. 2) Warm-up exercises are important in working every muscle in the body. 3) Freda Luan demonstrates her disciplined muscle control. 4) Danse Chinoise is performed by Orchesis members at an assembly. 5) Toy tin soldier girls present Danse des Mirlitons. 6) Leslie Drawbaugh attentively imitates example in a group exercise session.

Gymnasts Strive for Better Form, Balance, Poise

Gymnastics is a sport which demands poise, grace, and amplitude. The members of the AHS girls' gymnastics team compete in four events, the balance beam, floor exercise, the horse, and the uneven bars. Although lacking adequate facilities, funds and ample time for practice, the coach, Miss Elaine Wyckoff, felt that many of the girls have achieved great potential in body mechanics. 1) Joyce Louie performs a back walkover in her free ex routine. 2) Susan Rodgers vaults a perfect headspring. 3) Many hours of practice at daily workouts result in perfection. 4) An arabesque on the balance beam is demonstrated by gymnast, Dorcas James. 5) Throughout the whole floor routine Pat Lopez exhibits precision and beauty. 6) A difficult leap is carried out by Pat Townsend on the beam. 7) Debbie Siewert displays her specialized front pike dismount from the bars.

It is interesting to compare our diversified general high school program today with the very limited courses offered in 1898, the first year of Alhambra High School. Freshmen were required to take Latin, algebra, government, and geography. Greek and Roman history were added in the sophomore year while third year students took geometry, drawing, German, and physics. Physical education classes were finally offered in 1913. 1) It was not until 1908 that electives such as music and art were added to the schedule. 2) Meeting the increasing demands for skilled office workers, business courses were offered in 1907. 3) In an attempt to fit the individual needs of students, AHS began offering industrial arts courses in 1908.

Class of '76 Upholds Moor Spirit

Entering their first year of high school, Freshman Council displayed promising potential. Their food sales, car wash, and after-game dance were successful fundraisers supporting various social events. Freshman Council participated in Homecoming Fair activities, running the Add-'em-Darts booth. The climax of their term was a trip to Disneyland for the class.

Freshman Council members are: *Back:* Deborah Louie, President; Marion Chew, Special Events; Jackie Motto, Treasurer; Norman Quan, Historian. *Front:* Lynda Schumacher, Vice President; Rosemary O'Laughlin, Secretary; Julie Feiner, Publicity.

A variety of organizations have always been a large part of student activity at Alhambra High School. Since 1950 clubs have donated food, clothes, and toys for use at the Navajo Indian mission in Arizona, as part of the school's annual Christmas project. 1) For many years the school and community have benefited from the work of service clubs. During World War II they contributed to bond drives and relief collections. 2) In 1938, girls were encouraged to take natural dancing to help them develop poise, rhythm, and balance. 3) The Alhambra Bowmen's Club was organized for the purpose of furthering interest in archery. 4) Language clubs have always participated in various campus activities. 5) Many present Tri Hi Y clubs originated in the early years of AHS. 6) Performing at various functions, the Men's Glee Club was once a part of the AHS music department.

Of the first ten students who began Alhambra High School in 1898, five graduated, one transferred, and four did not finish. Consisting of only three students, the first graduating class held its commencement exercises in a Presbyterian Church. The 1905 graduation was held in the auditorium and continued there until 1934 when the large graduating class moved the ceremony to Moor Field. Present graduating classes, numbering about 780 students, hold their graduation at the ELAC field. Because of excessive competition in dress, graduation costs soared, prompting the class of 1933 to initiate the wearing of caps and gowns, a practice which has continued to the present.

Several senior awards originated during World War II, including the Senior Honor Society, Los Laureados, which was established in 1944 to give recognition to graduating seniors with high scholastic, citizenship, and service records to the school.

1) The second graduating class of AHS consisted of only eight seniors. 2) An exciting event each year has been the Junior-Senior Prom. 3) Commission has always been a senior privilege. 4) The Senior Class of 1914 poses in the school uniform of that time. 5) An early prom court poses for a yearbook picture. 6) Various senior activities have been planned by Senior Councils.

Deserving Seniors Credited with Los Laureados Membership

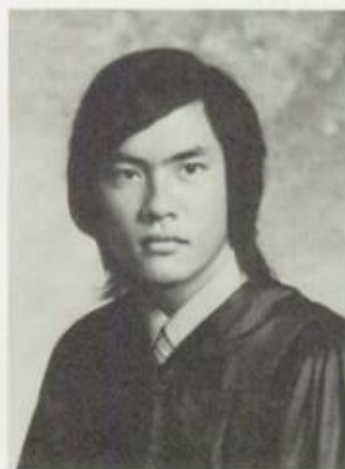

Los Laureados membership, the highest honor granted to seniors at Alhambra High School, was awarded to twenty outstanding students of the class of 1973. In recognition of their leadership, citizenship, and participation in student affairs, each senior's name was engraved on a plaque to be kept in the Student Government Room. The members were also honored with pins presented to them by Principal Mr. McGuigan at an assembly. Members of Los Laureados are *Front*: Judy Quan, Gary Bague, Sally Sladics, Larry Chong, Christine Warren, Roger Kodani, Janet Giambastiani, Charles Cruz. *Back*: Michael Sue, Therese Hall, Charles Deem, Karen Weliky, John Petrovich, David Koppa, Debra Kersey, Richard Fraisse, Pamela Angerer, Gary Fiebig, Thelma Almendarez, Martin Wong.

Commemorative Gift: Goal of 75th Anniversary Class

1) Representing the 75th anniversary class, the Senior Council, led by president Gary Bague, held various money raising projects to help finance the senior class gift. Included, was a spaghetti dinner and a sale of specially designed mugs commemorating the school's 75th anniversary. The Council was also in charge of planning senior functions such as the Baccalaureate service, senior luncheon, and graduation exercises. Members of Senior Council were 2) recording secretary Thelma Almendarez, 3) Ron Nagano, 4) vice president Gary Fiebig, president Gary Bague, Ronnie Tellez, 5) Becky Gonzales, 6) corresponding secretary Michelle Hopper, Gary Yee, 7) Mike Sue, and advisor Mr. James McClure.

Dear Rachel -

I hope you
have a really
great summer.

I know I'm mean
to you sometimes,

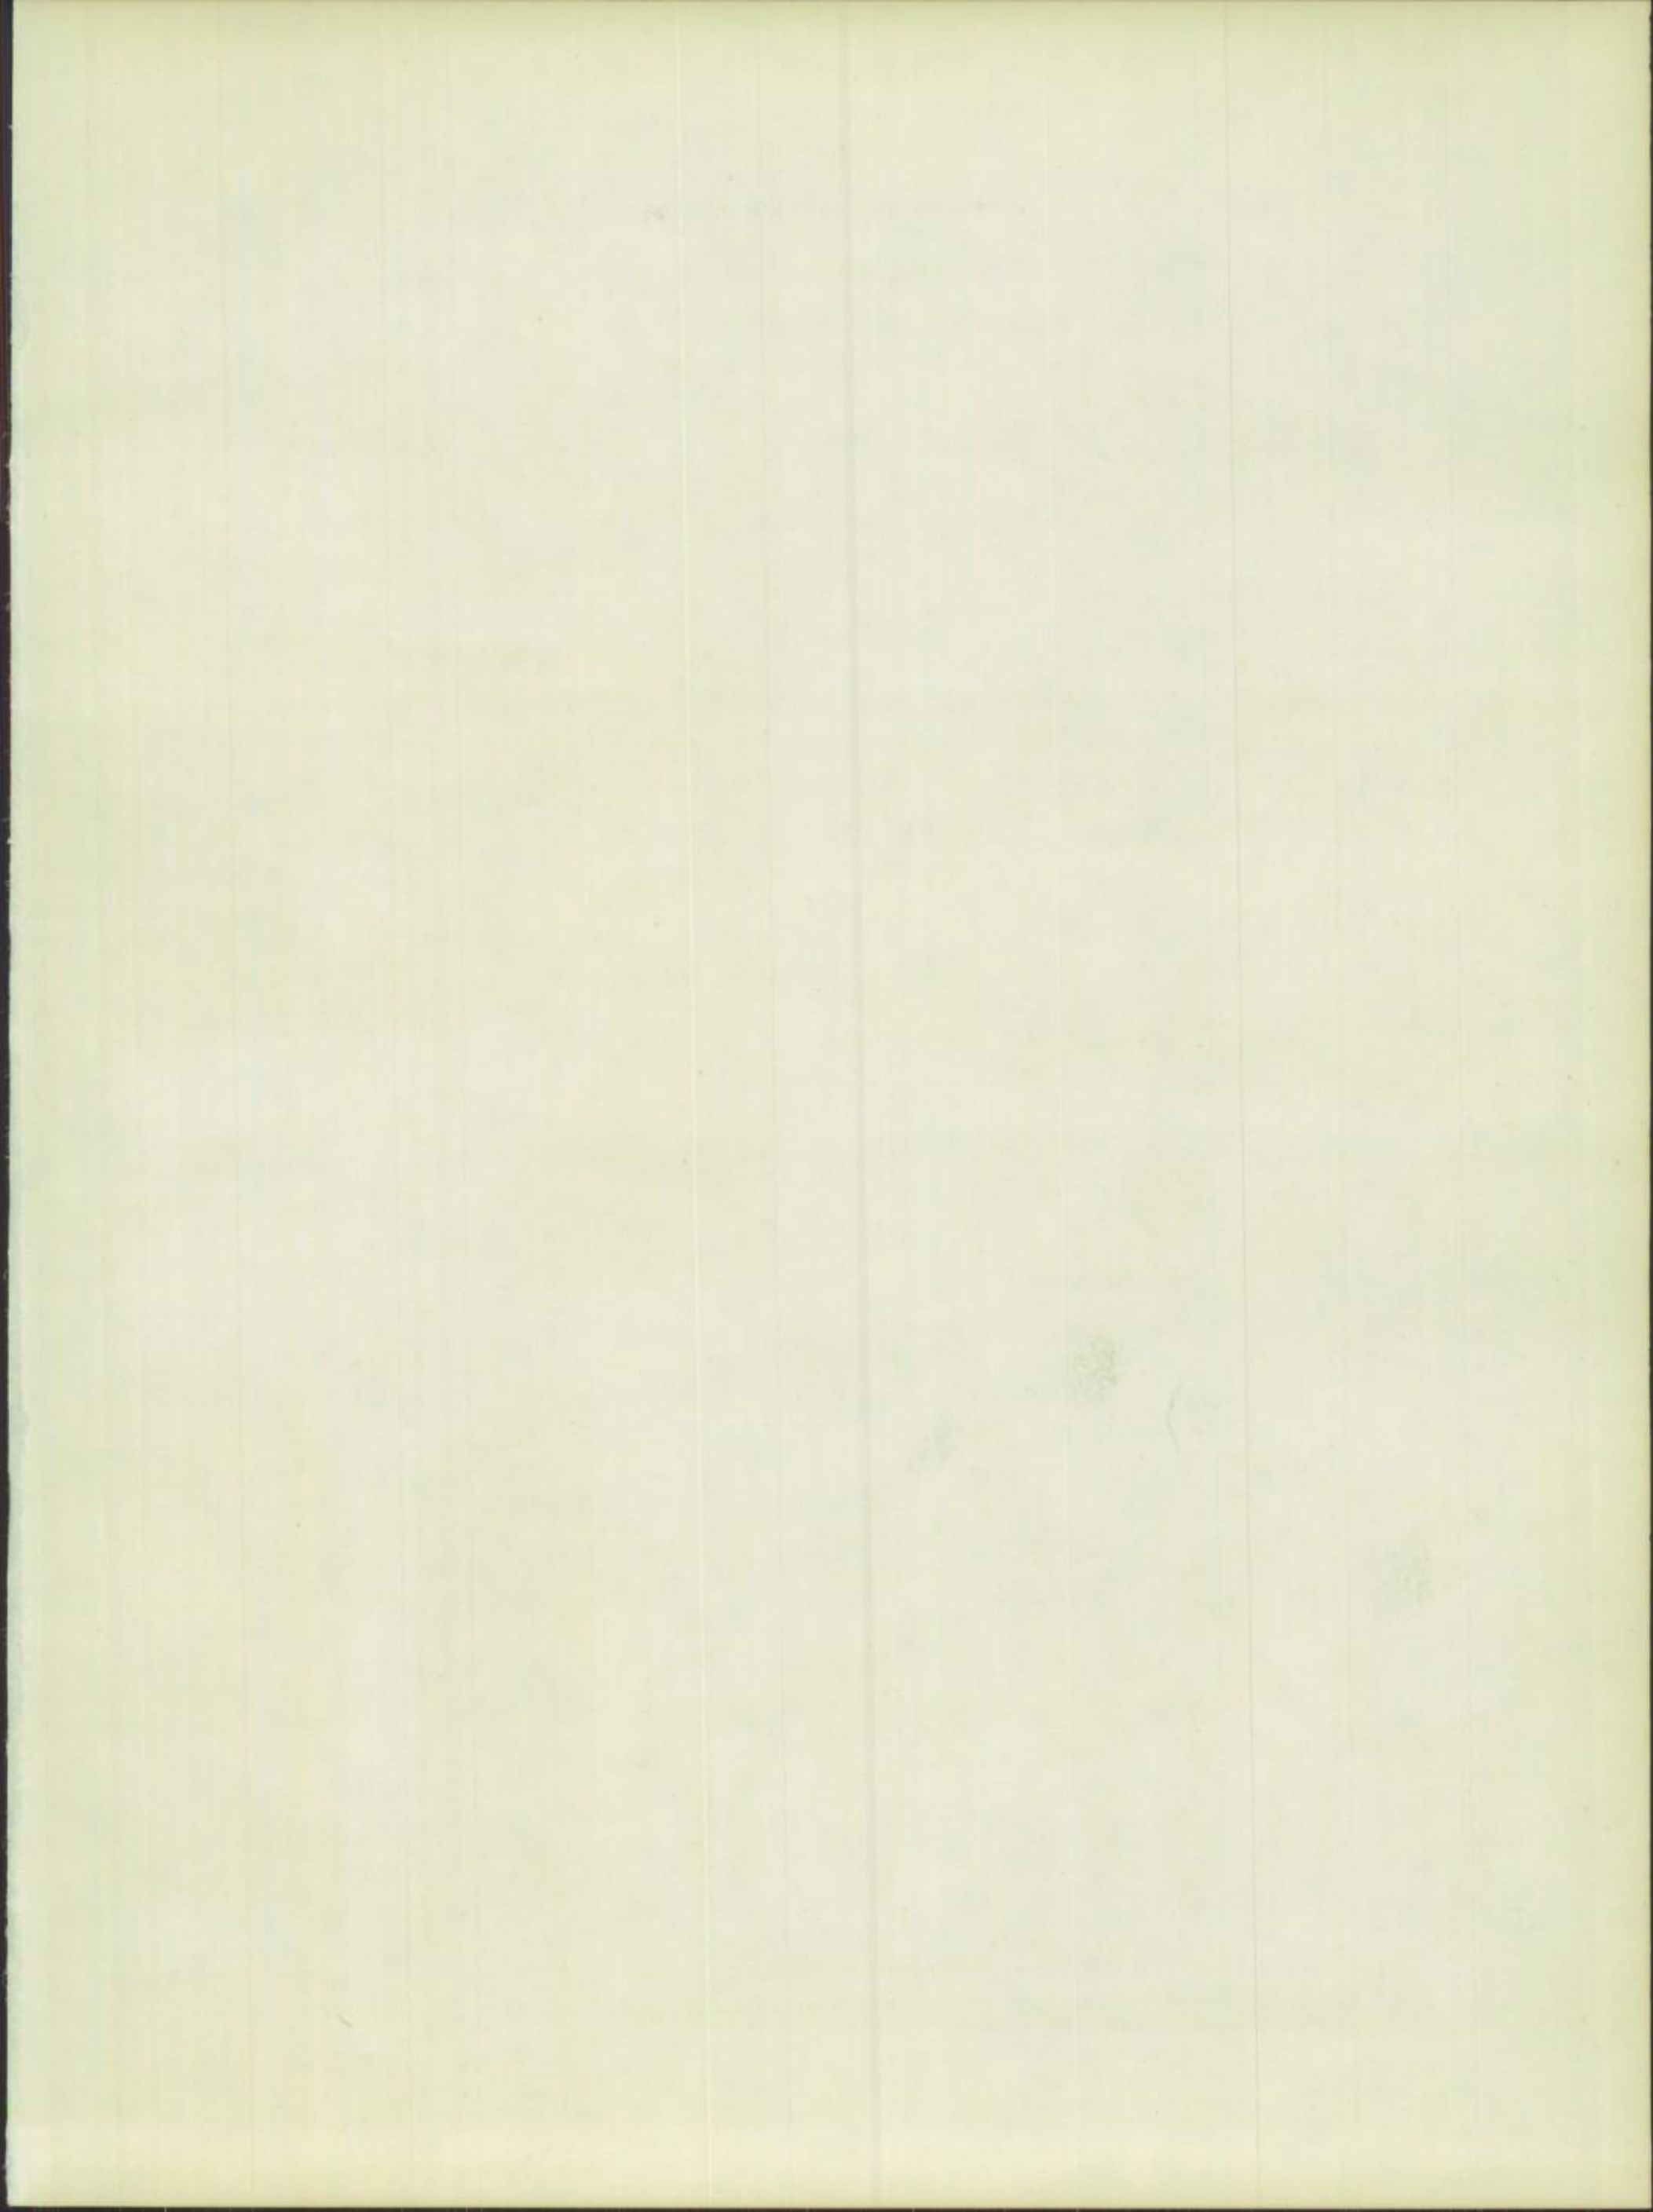

but I don't really mean
it. 😊 - I just want

you to "chase up"
to be a real success!

Much love
Elsie.

Alhambra High School's story is mainly one of growth. From 1898 to 1940, the student body grew from ten to 4,100. Even with the reduction in the student body after Mark Keppel opened, Alhambra was still overcrowded. Today with 75 years of experience and 3,300 students our school continues to enrich its educational goals, as well as its aspects of student life.

Best wishes
to a lovely girl,
you have a sweet
personality. Stay
that way!

A friend always,
Mrs. M. Perez

Rachel dear:
It's been a fair 4 months.
Thank you for all of your
help. I don't know what I
would have done without you.
Have a real fun summer & see
you in September.
Fondly, Vivian De Bois
